Quick Listen: Scrip's Five Must-Know Things

by **Ian Haydock**

Join us for a brief audio tour around key developments in the global biopharma industry over the past week, in this podcast version of *Scrip's* Five Must-Know Things.

Join us in our regular podcast covering major industry events over the past week, in this audio version of *Scrip's* Five Must-Know Things, this time for the business week ended 13 November 2020.

COVID-19 vaccines dominate developments this time, along with a failed deal in idiopathic pulmonary fibrosis and yet another setback in Alzheimer's disease.
