Quick Listen: Scrip's Five Must-Know Things

by Ian Haydock

Join us for an audio catch-up on the latest key developments in the worldwide biopharma industry, as reported by *Scrip*'s global team, in this mini podcast version of Five Must-Know Things.

This episode includes insights from around the biopharma world for the business week ended 5 February 2021.

This time we have views on, and progress with, <u>Pfizer Inc.</u> and <u>Johnson & Johnson</u>'s coronavirus vaccines, a delay for a closely-watched Alzheimer's drug, an interview with senior <u>Amgen</u>, <u>Inc.</u> executives, and more industry insiders' comments on key topics in the latest in the <u>Scrip Asks</u> series.

These and all our other podcasts are available on the Informa Pharma Intelligence channel on *Apple Podcasts*, *Google Podcasts*, *SoundCloud* and *TuneIn* - and now on *Spotify Podcasts* - and also via smart speakers if one of these channels has been set up as your default podcast provider.
