

## Piramal Pharma Solutions

Piramal Pharma Solutions is a contract development and manufacturing organization (CDMO), offering end-to-end development and manufacturing solutions across the drug life cycle. We serve our clients through a globally integrated network of facilities in North America, Europe and Asia. This enables us to offer a comprehensive range of services including Drug Discovery Solutions, Process & Pharmaceutical Development services, Clinical Trial Supplies and Commercial supply of APIs and Finished dosage forms. We also offer specialized services like development and manufacture of Highly Potent APIs and Antibody Drug Conjugation. Our capability as an integrated service provider & experience with various technologies enables us to serve Innovator and Generic companies worldwide.

Our Development centers & Manufacturing sites have accreditations from regulatory bodies in US, Europe & Japan. With a pool of 450 scientists, including 155 Ph.d's across the Globe we are committed to Research & Development programs.

Piramal Pharma Solutions has built a reputation for offering excellent manufacturing capabilities and extremely efficient operating systems that deliver outstanding quality, accredited by USFDA and EU regulatory authorities. These attributes make Piramal's services a compelling value proposition for our Global Client base.
